Blooms (Messages) from the Co-President Joyce Klemann

Have you heard this one yet? HAPPY NEW YEAR! Our fundraisers are over and we've made enough money for our teacher grants and budget expenditures—yay! We have some ideas for next year's pumpkin and wreath sales but you'll have to wait. Whatever, it's always fun. Meanwhile, we have some very interesting meetings to look forward to, along with our plants and pots exchange, and our end-of-the-year installation luncheon.

Our next general meeting is on the third Thursday of this month, January 16th. Come at 9:00 for visiting and refreshments and we'll start shortly after. It will be a good one: our own Dianne Anders will tell us all about beekeeping—because she's an expert bee keeper. If

we're lucky, she'll bring along some delicious honey to buy. Hmmm, sounds good already.

Our next field trip will be on Thursday, January 23rd. We'll be going to the Camarillo Ranch House for a garden tour. If you've never done this, you're in for quite a Camarillo historical and botanical treat. It is being planned by Marilyn Brackett and Becky Hosseini.

On Friday, February 21st, there will be a district meeting at CSUCI. It's such a beautiful setting out at the university and our district president, Darcey

Lober, runs a great meeting. You'll get to meet other Ventura County garden club members, have some great coffee and treats, and maybe get a tour of the area. Darcey lives out there and loves to show off the community garden.

Talking about friends, I think our club is one of the friendliest clubs around. Want to know others better or meet people you don't know? Sign up for one of our committees or offices. We'll be getting a nominating committee together soon, so it will be your chance to be a real part of the group. Practice looking in the mirror and saying, "Why yes, I'd love to!"

I'll see you on the 16th!

We All Need a Little Sunshine

REMINDER

Don't forget to bring food for the food pantry. The church provides food for families in need. It is also a way to thank them for the use of their facilities. So when you go to the grocery store pick up non-perishable items, including protein, canned tuna, peanut butter, and chicken and bring them to the meeting. Place them on the fireplace hearth.

Penny Pines

Please bring \$1 bills for Penny Pines. This money is used to plant trees in the forest. There will be a flyer on the tables with information on how our donations was used.

Reminder from the Treasurer

Please turn in your receipts on a 8.5 by 11 paper. This prevents the receipts from getting lost. Thank you.

Camarillo House Garden Tour Thursday, January 23

Garden Club will have a docent led tour of the Camarillo House gardens on Thursday, January 23rd, from 1:00 PM-2:00 PM. Currently we have 17 ladies signed up, but will be able to accommodate more, so you may sign up at our next meeting, and perhaps arrange carpools. We are to meet at 12:45 outside the barn for the tour. There will be ample parking available. Please bring your \$5.00 donation for the Camarillo House. Each carpool will decide when and if they would like to go to lunch. Please see Marilyn Brackett or Becky Hosseini if you have any questions about the Garden Club field trip.
